

# ALLiN Covenant Code of Conduct

Youth's Name: (Please Print) \_\_\_\_\_

**Our mission is to develop youth holistically through relationships. This covenant is to ensure fairness and a level of respect and order so that all who attend have the same opportunity to participate comfortably. Failure to comply with this covenant can result in a meeting with the Youth Director and Parent or Guardian.**

1. I understand that I can support the growth and success of this group by fully participating and not disrupting others as they speak. I will always show respect to peers and leaders.
2. I understand that obscene language, bullying, or gossiping is not a part of this group's mission, and I will not participate in this behavior at any time.
3. I agree to respect each person's body and inappropriate touching is never ok. I further agree that even if I am in a relationship, physical acts of affection are not allowed during our gatherings.
4. I understand that **I WILL NOT BRING** any drugs, alcohol, tobacco products, weapons or fireworks to any event and that the USE OF ANY OF THESE will result in an automatic, no-questions-asked trip home. Depending on the offense, it may mandate that it be reported to authorities by law.
5. I understand that during group discussion, I will keep my phone in my pocket. If needed to make or answer a call, I will step away to the designated area.
6. I understand that gang attire (e.g. bandannas) or gang representation (e.g. hand signs) are not allowed at any group meeting.
7. I agree that I will not leave or be out of designated areas. I understand that at times when we are on outings, I will use the buddy system when approved by an adult leader to leave the designated area.
8. I agree that the adult leaders have been placed in authority to assure safety and support a healthy positive environment. I agree to support their effort by listening to what they have to say and doing what they ask me to do or not do.
9. Finally, I also understand that I am an important part of this group and my presence is desired. Let's have **FUN** and **GROW!**
